# HOW TO USE

Use this morpheme matrix to help your students practice forming and spelling words with the twin bases DUCT and DUCE.

Begin by teaching the bases. Here is a possible script for teaching DUCT and DUCE.

1. (Write “duct” and “duce” on the board.)
2. Our new base elements are “duct” and “duce.” Let’s read them together. (duct, duce)
3. DUCT and DUCE come from the Latin. They mean *lead*.
4. (Write “conduct” on the board.)
5. Watch me scoop the morphemes as I read this word.
6. (Scoop your hand under the parts as you read the word aloud.)
7. The word is CONDUCT. It means *to lead someone to or around a place*.
8. (Post the following words on the board for all to read in unison as you scoop your hand under each morpheme.)
  - induct
  - introduce
  - reduce
  - deduct
  - produce
  - production
  - educate
  - education
  - conduct

Make sure all children can see the morpheme matrix or have their own copy. Show them how to use the matrix to build words with the twin bases DUCT and DUCE.

Students can work alone or in partners to find and record as many words as they can.
