# Climb the Ladder: A Spelling Practice Game

Have a parent or friend read each spelling word to you. Write one word per line, starting at the bottom rung of the ladder. If you misspell a word, correct it and write the next word on that same rung. When you spell a word correctly, move to the next level. After you write a word correctly on the top rung, you're done!

A large ladder graphic with two thick black side rails and 15 horizontal rungs. The rungs are evenly spaced and provide a template for writing words. The ladder is oriented vertically, with the bottom rung at the bottom of the page and the top rung near the top.
