The image shows a product preview for 'Ending Digraphs'. It features a blue and white striped border. At the top, the title 'ENDING DIGRAPHS' is written in large, blue, outlined letters. Below the title, a black banner contains the text 'INCLUDES BOTH DIGITAL AND PRINT OPTIONS'. In the center, a tablet displays a slide with the number '17' in a black circle, a cartoon fish, and the word 'fish' split into 'fi' and 'sh' in boxes. Below the word are four boxes containing the digraphs 'ch', 'ck', 'ng', and 'th', followed by a smiley face icon. To the left of the tablet, the text 'Self-checking!' is written in a casual font. At the bottom, another black banner contains the text 'PRINT THE CLIP CARDS OR USE THE DIGITAL RESOURCE WITH GOOGLE SLIDES™'. The logo 'the measured mom' is in the top right corner, and the website '©themeasuredmom.com' is at the bottom right of the tablet screen.

# This product from The Measured Mom® comes in two different versions:

Google Slides presentation

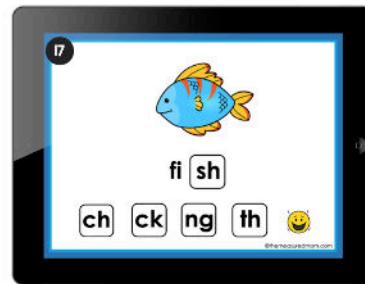

Printable clip cards

When you purchase, you have the option of printing the clip cards and/or using the digital version with Google Slides™. The file includes specific instructions for using the digital version.

# The digital version includes 24 slides with the following instructions:

## DIRECTIONS

1. Name the picture.
2. Find the digraph that correctly ends the word.
3. Move the digraph so that it covers the yellow box.
4. If you're correct, you'll see a smiley face.

If you are doing this activity on an iPad, remember to tap the digraph once to make it moveable. Then drag it. If you accidentally resize the image, tap "undo" and try again.

# The print version includes 24 printable clip cards in both color and black & white.
